

WSU TRiO Educational Opportunity Center COVID 19 RESPONSE:

We understand the implications of the coronavirus COVID-19 are changing on a daily basis, and the TRiO-Educational Opportunity Center (TRiO-EOC) continue to monitor the situation. We also know that our participants and our Wayne County service community have been greatly impacted. Please know that TRiO-EOC is here to help.

Based on the evolving situation; and because our primary concern is for the health and safety of everyone affected, we are announcing the following precautionary measures in response to the coronavirus COVID-19.

During normal business hours, our office is operating remotely, and will continue to assist Wayne County residents and current TRiO-EOC participants with Post-secondary Admissions to your school of choice, FAFSA Completion, Financial Aid Resources, and or High School Completion Resources by email or phone.

Current Participants:

May contact your counselor Monday-Friday, 8:30 a.m.-5:00 p.m.

If you do not know your counselor's email and/or telephone number, you may contact

Mrs. Barbars Hale, (313) 577-7528 or by email: [bi3936 @wayne.edu](mailto:bi3936@wayne.edu) for assistance.

Wayne County Residents:

If you are in need of TRiO-EOC services, we encourage you to contact Ms. Linda A. Fuggs at: [ac7266 @wayne.edu](mailto:ac7266@wayne.edu), to be assigned a TRiO-EOC counselor. We are currently developing our digital Participant Intake and Participant Needs Assessment.

Please be assured that TRiO-EOC is here to help. To assist you with managing any anxiety that you may be experiencing during the COVID 19 outbreak, feel free to browse the information below provided by the Wayne State University, School of Social Work.

COVID 19 continues to spread, and efforts to contain it have led to profound disruptions in many of our lives. For students of all ages in-person classes have been canceled, teachers are asked to transfer their teaching to on-line platforms, schools and businesses are closing, and we are instructed to engage in "social distancing" to prevent the transmission of the virus.
